Local sports fans were again treated to a superb evening entertainment, as they have come to expect from Sandbach United, when the 'Referee Who Fights Back' - Jeff Winter was in town with the excellent comedian Jimmy Bright.

The event, which was kindly sponsored by D.E.A. Electrical Contractors Ltd. of Leek who can be contacted on 01538-381084 or 07787-538147, was held at Crewe Alexandra F.C, and attracted over 220 people from across the North West and the proceeds went towards Sandbach United's ambitious Facilities Development Project.

Jeff is pictured with Colin Oakes (Vice-President SUFC) and Andrew Timms (Chairman SUFC).

Sandbach United would also like to thank Ian Dolman and Paul Watkins for their hard work in organising the event.

Club chairman Andrew Timms is pictured making a presentation to Dave Ashe of D.E.A. Electrical Contractors Limited in recognition of his support of the Sportsmans Dinner.
